WITH PDPL, PERSONAL DATA IS PROTECTED, WHAT ABOUT YOUR COMPANY?

Sanctions to be applied in case of violation of the obligations stipulated in the Personal Data Protection Law are regulated in Article 18.

According to the Article 18, in case of violation of these obligations, administrative fines are imposed.

Furthermore, with the amendment made, crimes related to personal data and penal sanctions were regulated by reference to the relevant provisions of the Turkish Criminal Law No.5237 (art. 135-140), and imprisonment and fines started to be imposed for companies that do not comply with the procedures and principles set forth in the Personal Data Protection Law (PDPL) In addition to ensuring compliance, those who do not destroy personal data are punished according to Article 138 of the Turkish Criminal Law.

PDPL Compliance Service Consultancy

► OUR VALUES

Considering today's technology World and their contribution to our lives, we believe that the way to a secure future is to ensure data security. For this reason, with our team specializing in the field of PDPL, we meet the PDPL compliance requirement of companies that process personal data, as well as preventing companies from encountering criminal sanctions, as well as ensuring the data security of natural people.

► OUR SOLUTIONS

We provide consultancy services for businesses that process personal data so that they do not face criminal sanctions and protect the personal data of natural people. Together with our service process, where all procedures are carried out in full, we ensure the completion of the following stages in your company:

- Ensuring administrative compliance by law
- Making business plans feasible within the scope of PDPL
- Providing prerequisites for PDPL and making companies exempt from initial audits
- Preparing the infrastructure for technical compliance

► OUR METHODS

In our Consultancy Service, which started with Lighting Education, we take 13 different steps that we have determined in order to complete the legal obligations. We convey the experience and knowledge we have at all steps and aim to make PDPL Compliance a culture for your company.
